

**PETERBOROUGH CITY COUNCIL DOES NOT RECOMMEND ANY OF THESE COMPANIES. THIS LIST IS PROVIDED AS A SOURCE OF INFORMATION ONLY.**

You must register as a waste carrier if you; transport waste, buy, sell or dispose of waste, arrange for someone else to buy, sell or dispose of waste. Registration is usually free if you only transport waste you produce yourself. You can apply for a waste carrier’s licence [online here](#). You must also obtain waste transfer notes (WTN), which will provide proof of the transfer of waste from one person to another. Every load of waste you receive or pass to others must be covered by a WTN and all customers should be given a copy of a waste transfer note as well. For further advice on this please contact the [Environment Agency](#).

If you would like your company’s details adding to this list please contact Peterborough City Council – 01733 747474 / [recycling@peterborough.gov.uk](mailto:recycling@peterborough.gov.uk)

Please bear in mind, separation of recycling, reuse or compostable material will be of benefit when disposing of your waste.
